

Washington D.C. (May 18, 2009) – Congressman Dennis Kucinich (D-OH), Chairman of the Domestic Policy Subcommittee, sent a letter to Chrysler CEO Bob Nardelli requesting documents that would clarify the circumstances that led to an April 30 conference call in which Members of Congress were informed that a proposed bankruptcy would not result in any permanent plant closings or job losses. However, when terms of the bankruptcy were released on May 1, plants in Michigan, Missouri, Wisconsin and Ohio were slated for closure.
